Monogorilby students enjoyed an excursion to Burra Burri State School last week. Students had the opportunity to meet and participate in organised activities with other small schools before they enjoyed a performance by Entourage supported by Musica Viva. This Thursday students will join other schools around the state in an event called Music Count Us In. This is an event that happens once a year where students come together to sing a song written by a small group of students. We will try to view the live performance and join in singing with other schools who will gather at the Sydney Opera House.

With the end of term looming after a very busy year students are really starting to show fatigue. Please ensure that students are getting to bed early and are well rested so that they can perform their best in the classroom. We are having students yawning within the first hour of school and not able to concentrate on their learning. A healthy, sustainable breakfast and lunch will also contribute to concentration levels and on task behaviours.

Curriculum
Diagnostic data collection will occur in the next few weeks with Running Records for reading and comprehension being completed as well as PAT Reading, Comprehension and Spelling assessment. Assessment for report cards is ongoing this term with reports being written and sent out by the end of Week 8, allowing Parent/Teacher Interviews for Week 9. Further information will be available at the P&C Meeting.

Crazy Hat Day
Students came to school on last Friday with their Crazy Hats. There were some very original and creative hats as well as some great stories accompanying other hats.
Sport News

Congratulations to Steve on being awarded the 2016 Queensland Tennis Award - Coaching Excellence for ANZ Tennis and Hot Shots. Steve is a very deserving recipient of this award. He is such an enthusiastic coach, with a caring nature towards all students. Monogorilby students love having Steve visit every Tuesday for tennis coaching. Steve travels many miles to coach over 800 students from 28 different schools and runs the Hot Shots competition on weekends. Congratulations Steve! We are very proud to say that you coach our kids!
Everyday counts at Monogorilby!
