With winter just around the corner now is the time to make sure that students have all their jumpers and tracksuits clearly named so that lost items can be returned to the correct owner. Monogorilby hoodie jumpers are still available for purchase from the school. Winter also brings colds and flus. We have been encouraging students to drink plenty of water, coughing into hands or tissues and washing hands well to minimise the spread of germs.

**Teaching and Curriculum**

The year 3 and 5 students completed NAPLAN testing in week five. Students enjoyed a healthy snack prior to the tests each day to ensure they performed their very best. Results will be available from late August with student reports sent out in September.

Students will attend school camp at the end of this term to Brisbane. Students will enjoy ten pin bowling, a visit to South Bank to see the Gallery of Modern Art, Queensland Museum, Science Centre and take a ferry trip down the Brisbane River. Students will also have a day trip to Movie world. More information will be shared at the up coming P&C Meeting.

With only four weeks left until the end of term we are in the final stages of our curriculum units and students will be engaged in final assessment. Further discussion around NAPLAN Report and Reporting timelines will occur at the P&C Meeting.

**Premier’s Reading Challenge**

It is time again for the annual Premier’s Reading Challenge. This is a state wide initiate to improve literacy and encourage students to engage in reading for learning and pleasure. Our school priority is about improving reading and comprehension so this initiative is another great way to encourage students to get into reading for pleasure. To complete the challenge students from Prep to Year 2 students must read or engage with 20 books, Years 3 to 4 must read 20 books and Year 5 to 6 students must read 15 books. A recording form and further information will be sent home with students this week.

**Proposed P&C Meeting**

We would like to hold a P&C Meeting next Tuesday the 31st of June at 3:00. We have a few things to discuss about camp and reporting plus P&C business.
Sport
Students have been busy training for the Small Schools Athletics Day at the end of this term. Small Schools Athletics Day will be held in Mundubbera on Thursday the 16th of June. Mrs Radke runs athletics training sessions every Monday, Wednesday and Friday mornings before school for interested students.

School Photos
We are waiting on school photo proofs to be sent through. Photo ordering information will be sent out to parents when this has been completed.

Mundubbera Show Winners
Students entered show work to display their skills in the Mundubbera show. Our Prep and Year 2 mural won a second and we had a few students who got a first or second for their individual entries.
