STUDENT DRESS CODE

The P&C of Monogorilby State School resolves that it supports a dress code for the school because it believes that such a code promotes the objectives of the Education (General Provisions) Bill 2006. In particular the P&C of Monogorilby State School supports the intention of a student dress code in providing a safe and supportive teaching and learning environment by:

- ready identification of students and non-students in the school
- eliminating distraction of competition in dress and fashion at school
- fostering a sense of belonging
- developing mutual respect among students through minimising visible evidence of economic or social differences.

Uniform expectations at Monogorilby State School are as follows:
Students will wear the school uniform shirt every day while at school; and during excursions, uniform expectations will be at the discretion of the principal. (New and second-hand shirts are available at the school.)

All students are to wear closed in shoes, with socks.

All students will wear a brimmed hat during all outside activities.

Students will wear shorts, skorts, skirts or trousers, and in cooler weather, jumpers and/or jackets may be worn.
It is preferred that all clothes be in colours suited to the uniform shirt. Loud patterns and colours are discouraged.

Jewellery is to be kept to a minimum, and students may be asked to remove certain items of jewellery. All items will be returned to the student at the end of the day.
